REPORT OF THE TOWN CLERK

The number of marriages reported to this Office for the year 1956 were eight (8), seven were first marriages for both parties, one was a first marriage for one of the parties and a third for the other. Nine of the parties were from Brooklin, one from Bucksport, one from Stonington, one from Deer Isle, two from Bangor, one from Sedgwick, one from Bristol, Conn.

The number of births were seven (7), four male, three female.

The number of deaths were nine (9), two between sixty and seventy, one between seventy and eighty, five between eighty and ninety, one between ninety and one hundred.

There were seventy-five dogs licensed, forty-one males, twelve females, twenty-two spayed female.

SCHOOL CUSTODIAN

Wallace Smith

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Brooklin: I submit herewith the Financial Report of the School Department, the Budget prepared by the School Committee, and my ninth annual report as superintendent of schools.

School enrollment reported to me recently was as follows:

Sub-Primary, 6; Grade One, 5; Grade Two, 7; Grade Three, 12; Grade Four, 11; Grade Five, 8; Grade Six, 11; Grade Seven, 9; Grade Eight, 11; Total Elementary Enrollment, 80. This was a decline of four during the fall. High School enrollment was Grade Nine, 9; Grade Ten, 4; Grade Eleven, 4; (there was also one pupil from Brooklin in Grade 11 at Blue Hill) Grade Twelve, 4; Total High School Enrollment was 21 with one more at Blue Hill, and the total number of pupils credited to the town, 102.

It is noticeable that high school enrollment may be expected to increase for several years, perhaps reaching about forty, if no one moves away. Perhaps an estimate of 35 would be safer. It may be noted also that the enrollment of the lower three grades, beginning with the sub-primary is considerably less than that for any grades between the third and eighth.

COMMERCIAL COURSE

The last time that the high school curriculum included the commercial course was the school year 1949-50, when the high school enrollment was 25. The number of pupils in the school year beginning next September may be expected to equal or slightly exceed the figure in 1949-50.

During the past seven years people have from time to time inquired whether the commercial course would be restored. Since the enrollment now indicated for the next half dozen years should equal or exceed that of the last few years the commercial course was offered, the School Committee has thought it wise to leave to the citizens of Brooklin the decision on restoring the commercial course to the curriculum.

Between the time this report was written, and the time it was printed, therefore, the Committee planned to inquire of townspeople what action they desire to take, concerning this course. The budget prepared in late January by the School Committee does NOT provide for this course. If the course is to be added to the curriculum, an additional sum should be added to the recommended appropriation. This amount, to be added for salary of a teacher, purchase of modern typewriters, textbooks, and other necessities should be \$3000 for this year, and at least \$4000 next year.

Teachers salaries have risen, on the average, at least \$300 last year, and this year, and much more since 1950. A portion of the \$3000 would pay a teacher from September to the end of the fiscal year. Since the typewriters formerly in use were pre-war machines, at least four new ones would be needed. Possibly the two on hand could be used a year, as well. Some other items would be required. A mimeograph, and spirit duplicator are on hand.

There has been some mention, in recent years, since the commercial course was discontinued, of the possibility of adding a home economics course to the curriculum, instead. People have remarked that such a course would be directly helpful to nearly every girl, teaching the fundamentals of food management, of clothing, nutrition,

child care, and many other phases of home-making, such as home decorating, etc.

Such a course is under the direct supervision of the State Department of Education and regulations require a great deal of space for the course. At least the area of the main room in the high school would be required, although its use as an assembly hall would not be prevented. A good deal of equipment, including more than one range, refrigerator, sink, and sewing machine would be required.

The cost of operating a commercial course, and that of a home economics course would perhaps be about equal, but the space required, and the first cost of equipment would be much greater for home economics.

It would be impossible to offer both.

TEACHING STAFF

Mrs. Olive Bent is teaching the primary grades this year. Mrs. Bent is a graduate of the Castine Normal School, did her first teaching several years ago, and is now returning to teaching.

Mrs. Grace Redman, and Mrs. Harriette McCarthy are teaching the same grades as before. Mrs. McCarthy, and Mrs. Bent attended the University of Maine Summer School.

The high school teachers are new. Mr. Carl Lundquist is the new principal. Mr. Lundquist taught last year in Deer Isle. He is a graduate of Dickinson College, and the University of Maine.

Mrs. Thelma Morgan is assistant. She taught in Brooklin from September 1948 to June 1950, and is well known to many Brooklin people.

Mr. Lundquist, Mrs. Morgan, and Mrs. McCarthy, working together, have maintained an excellent program of activities worthy of a larger school, and there has been excellent cooperation between the faculty and pupils of Brooklin High School, and those of Brooksville, and Castine.

Mr. Lundquist and the staff of the lunch program have kept up the excellent operation of that department. It is difficult to operate the program successfully with fewer than eighty participating, and we hope eventually to reach that figure through the year.

INSURANCE ON BUILDINGS

The insurance coverage is \$25,000 on the high school, and \$9000 on the elementary school, and there is \$3500 on the contents at the high school and \$1500 on the contents at the elementary school.

REPAIR PROGRAM

During the summer the shower rooms at the high school and the school library were included in redecorating plans, and the main assembly hall has been added for this year.

Emergency exits were provided at the elementary school to comply with the new law.

To comply with a request from the office of the State Director of Fire Prevention, the School Committee

plans this year to sheathe the boiler room at the high school with fire resistant material.

STATE SCHOOL AID

The present law provides for state aid to towns according to presumed need, using state valuation of property per pupil as a standard. Brooklin thereby receives the minimum.

A survey of education in Maine has just been completed for the Legislature. The report of this survey, known as the Jacobs Report, strongly recommends that small towns unite their school systems, both secondary and elementary. High schools under 100 pupils will be penalized, if within fifteen miles of another high school.

The prospects for increased state aid are consequently unpromising. There is, however, a small increase of \$400 due next December.

In closing, I wish to thank the teachers for their complete cooperation with me and with the School Committee. Our teachers have worked hard to maintain a high educational standard.

I want to thank the members of the School Committee for their generous and devoted efforts in behalf of the schools, and especially to thank the citizens of Brooklin for their many kindnesses, and their great willingness to support the educational program and activities of the children of their town.

Respectfully submitted,

RALPH S. SMITH, Supt.

The sum of \$39.83 was transferred from School Repairs to the School Account to adjust the January 31, 1956 balance to meet the requirement that Liability Insurance should be charged to funds in which the state does not participate. The sum had in 1955 been charged to the School Account.

Recommended Appropriations

School Account \$21500.

School Repairs 1500. plus unexpended balance.

PRINCIPAL'S REPORT

29 January 1957

Board of Selectmen

Brooklin, Maine

Gentlemen:

Brooklin High School has one of the smallest student bodies of any high school in Maine, but what it lacks in number it makes up in school spirit and devotion to the school. The enrollment now stands at twenty-one (thirteen girls and eight boys) after three students who began the year in September either dropped from school or transferred. The enrollment for the coming year should climb to twenty-five. There are nine students in the present freshman class, four in the sophomore class, four in the junior class and four in the senior class.

The physical plant of the high school is in good shape. The high school laboratory, sports, lunch room, and theater facilities which are on a par with those of much larger schools.

This year an all new staff of lunchroom workers solved the newness of the job quickly and began to turn out excellent meals.

High points of the school year to date included the magazine drive in which the school fund realized \$160, the Freshman Reception, the annual Hare 'n Hound Chase, the Home making Class party, the basketball

team's overwater trip to Vinalhaven and North Haven, the Christmas Party, and the round robin tournament in Ellsworth.

Events for the remainder of the school year include the publishing of the school year book "The Tattler", the return visit of the North Haven boys' and girls' basketball teams, the presentation of the senior play "Where's Grandma?", the school fair, the speaking exhibitions, and of course, graduation.

Within the limited teacher time available the academic program has been fitted to the needs of the students. Student achievement has been satisfactory and in some cases superior. The limited curriculum has, however, forced some students to take academic subjects when perhaps these students were better suited to vocational or commercial programs.

The sports program this year will include eighteen boys and girls' games, six junior high boys' games, and several junior high girls' games. Although victories have been well spaced, the experience of this year should produce winning teams in the years to come.

A high school ping pong tournament has been planned for the period between the end of the basketball season and the end of the rainy season.

Mrs. Lundquist and I should like to thank our many friends in Brooklin for making us so welcome here. It has been a most pleasant year for both of us.

On behalf of the entire faculty, Mrs. Morgan, Mrs. McCarthy, and myself, I should like to thank the School Committee, the Superintendent, and the many friends of Brooklin High School for their generous support of our school and of all we have tried to do.

Respectfully submitted,

CARL W. LUNDQUIST

Principal

FRIEND MEMORIAL PUBLIC LIBRARY

The Friend Memorial Public Library, Inc., has continued, we hope, to be a credit to the town by providing unusually fine reading and study facilities, and book-loan service. At present, the library houses 8520 volumes, an excellent reference section, and 36 subscriptions to periodicals. The attendance from 1955 to 1956 was 4119 and the total loans 6715. We take particular pride in the steady and substantial use of the Library by the school children. The existing facilities have been carefully maintained and improved when improvements seemed desirable and possible. During 1956 maintenance expenses were particularly high, due to the need for rebuilding the front porch and steps, and topping out the chimney. A new oil burner may be necessary in 1957.

Due to rising costs the expenses of the Library have increased steadily, but we were most fortunate to receive a substantial bequest in late 1955, from the estate of Freta T. Roof. The bequest was in memory of her sister, Stella J. Roof, a former resident of Brooklin and Trustee of the Library. The present Trustees voted to start an Endowment Fund with the Roof gift and to use a part of the income for the purchase of books. Books so purchased will bear a memorial book plate. The Endowment Fund account is published below with the Treasurer's Report. As is apparent from the report, the support and interest of the people of the town continue to be the Library's greatest assets. In return the officers and trustees of the Library endeavor to make the Library an equally valuable asset to the town.

Respectfully submitted,

The Trustees

Chairman Legal and Financial Committee

PUBLIC HEALTH NURSING SERVICE

To the citizens of Brooklin I hereby submit a report of the Four Town Nursing Service for the year January 1 through December 31, 1956.

School Health Program

During the school year visits to teachers were made each month in both schools. Individual health problems were discussed and suggestions for corrections and aid were worked out with teachers and parents. Conferences were held with the principal of the high school as necessary. Both principal and staff have been very cooperative and the Four Town Nursing Service wishes to thank them for their kindness.

The annual fall inspection of 105 pupils in both schools was done as soon as possible after school started. This includes skin, teeth, throat, hair, height, weight and posture. Notices were sent to parents as needed, asking them to check with their family physician. Weights were checked again in the spring and gains or losses noted on permanent health records. Vision tests are done by teachers as required by the State, but your nurse rechecked as suggested. Notices were sent to parents as necessary.

Upon request of teachers, or the principal, parents were contacted to urge corrections and to suggest ways and means of obtaining them. Parents have, as usual, been very cooperative and a large percentage of corrections were done immediately.

Money for necessary corrections was obtained from the Four Town Nursing Service and from the various charitable organizations. They are always very willing to contribute and many thanks are due them.

Audiometer tests for hearing were completed. These are done from the fourth grade through the high, and are a valuable aid in rounding out the health program. Home calls were made as needed to suggest further check with family physicians.

The Four Town Nursing Service, with the approval of the school board and town officers, sponsors the school physician in Brooklin. 85 pupils in the sub-primary, first and fourth, junior high and high were examined by Dr. Bliss with your nurse assisting. After examinations, home calls were made as necessary, to notify of doctor's recommendations and to urge further advice and treatment by family physician.

A donation of \$25. was given to aid in the hot lunch program in Brooklin. The lunch room was visited several times and conferences held with workers to aid with suggestions as requested.

Pre-School Program

As we do not yet have a pre-school program in Brooklin, any child ready to enter school may go to the regular spring immunization clinic. The nurse should be contacted before March.

Immunization Program

This year 11 vaccinations, 1 diphtheria toxoid, 1 tetanus, 1 whooping cough innoculations and 15 boosters

were done by Dr. Bliss with your nurse assisting.

There were 94 immunizations for polio. 47 children received their two shots. Arrangements have been made for 16 children to receive their two shots in January. There will also be 52 children to receive their third shot.

This year the National Foundation is offering immunization to all school children through high. We still hope more parents will take advantage of this offer.

Tuberculosis Program

It was not necessary for anyone to attend the Regional X-Ray Clinic this year. Suspects and contacts were visited as necessary.

Literature was distributed as requested throughout the year.

General Health

Upon request of mothers or doctors, once a month visits were made to babies under one year. Calls were made to pre-school children each 2 or 3 months as needed or requested. Nursing care and treatment was given when required, under doctors' orders. Visits were made for adult health supervision and advice as requested. Arrangement were made for corrections and treatment of patients and transportation done when necessary. Clothing, bedding, shoes and medication was obtained for needy families.

There were also 135 interviews with doctors, health officers, town officers and members of the committee, necessary in carrying out the various phases of the Service.

The following statistics show the number of patients and homes visited during the year 1956.

Types	Number Patients	Number Homes
Infants	11	68
Pre-School	14	102
Prenatal	5	25
Nursing Care	17	86
Adult Health Supervision	17	158
Tuberculosis (all types)	2	4
School Follow up	12	42
Handicapped Children	4	38
Not Admitted	53	55

Total number hours spent in school work 125.30

Total number hours spent in homes 315.40

Total number miles traveled 2443.0

The nurse's day in Brooklin is Monday. Anyone wishing the services of the nurse, is urged to call their town chairman or call the nurse direct. That is the only way that she can find out about individual problems. She is always ready to assist with problems and aid in every way possible.

The Four Town Nursing Service and your nurse wish to express their appreciation for the continued kindness and cooperation of the citizens of Brooklin during the past year.

Respectfully submitted,

Four Town Nursing Service
by: Arleen L. Genthner, R.N.
Public Health Nurse

AUDITOR'S REPORT

TOWN OF BROOKLIN

Board of Selectmen

Brooklin, Maine

Gentlemen:

In accordance with Chapter 91, Section 142, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Brooklin for the period February 1, 1956 to February 1, 1957.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules included in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data incorporated in the report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER & SAWYER

By Richard Shaw

Accountants and Auditors

C O M M E N T S

Town of Brooklin

February 1, 1956 to February 1, 1957

An audit of the books and records of the Town of Brooklin has been completed for the year ended February 1, 1957. This audit included an examination of the records maintained by the Assessors, Treasurer, Tax Collector and Town Clerk.

The examination included a review of cash transactions as well as an analysis of available funds and expenditures. The result of the year's operations revealed that available funds exceeded expenditures by \$368.80.

Assets

The cash balance of \$10758.78 was reconciled with the statement furnished by the Bar Harbor Banking & Trust Company, Bar Harbor, Maine.

Transactions affecting taxes, tax liens and tax acquired property were reviewed.

Deferred Revenue

The deferred revenue totaling \$859.70 represents 1957 excise taxes collected which are being carried forward to the 1957 year for proper allocation.

Reserve

The examination of the appropriation accounts shows a net amount of \$7638.80 representing various unexpended balances which are being carried forward to the ensu-

ing year and withholding taxes of \$88.60 and Social Security \$113.60.

Surplus

The unappropriated surplus of the Town amounted to \$3582.84 an increase of \$326.57 as compared with the preceding year. This change was occasioned by gain on sales of property, supplemental taxes, unexpended balances less abatements.

Trust Funds

The examination of trust fund transactions revealed earnings of the various funds amounted to \$70.41. Expenditures for the year totaled \$47.92. Principals of the funds at the close of the year totaled \$1229.65 and unexpended income amounted to \$22.49. The time deposit books representing these funds were examined.

Scope Of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. Available funds and expenditures were examined by methods and to the extent deemed necessary.

Excise tax collections were verified by examination of the copies of receipts retained by the collector. It was noted that all records examined had been kept in an accurate and efficient manner.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at February 1, 1957, and the result of its operations for the year ahead.

THE WARRANT

HANCOCK, SS.

STATE OF MAINE

To Victor C. Bridges, Constable of the Town of Brooklin,
in said county.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Brooklin, qualified by law to vote in town affairs, to assemble at the I. O. O. F. Hall on the 4th day of March A. D. 1957 at nine o'clock in the forenoon, to act on the following articles, to wit:

Article

- 1 To elect a Moderator to preside at said meeting. *Rockwell*
- 2 To elect a Clerk for the ensuing year. *Celia Loughran*
- 3 To hear and act on the reports of the Town Officers.
- 4 To elect Selectmen, Assessors and Overseers of the Poor and to vote their compensation. *Same* *Low Smith* *Bob Allen* *Arthur Wood*
- 5 To elect a Treasurer and vote his compensation. *Chas Ford*
- 6 To elect a Collector of Taxes and vote his compensation. *Victor Bridges*
- 7 To elect a Road Commissioner and vote his compensation. *Stephen Gresham*

- 8 To elect a member of the School Board and vote the compensation of each. *Rayford Westerland Rom*
- 9 To elect a Fire Chief.
- 10 To elect all other Town Officers. *Sebetmen*
- 11 To see what sum the Town will vote to raise and appropriate for Administration for the ensuing year.
Recommended \$ 4000.00.
- 12 To see what sum the Town will vote to raise and appropriate for roads and bridges for the ensuing year.
Recommended \$ 2500.00,
- 13 To see what sum the Town will vote to raise and appropriate for elementary and secondary schools, including teachers' and Superintendent's wages, fuel, janitor service, conveyance, text books and supplies for desk and laboratory use. *\$24,000*
- 14 To see what sum the Town will vote to raise and appropriate for repairing school buildings for the ensuing year. *\$1500 + 164.67*
- 15 To see what sum the Town will vote to raise and appropriate for support of the poor for the ensuing year.
Recommended \$ 500.00.
- 16 To see what sum the Town will vote to raise and appropriate for the support of the Friend Memorial Public Library for the ensuing year.
Recommended \$ 500.00.

- 17 To see what sum the Town will vote to raise and appropriate for Memorial Day.

Recommended \$ 35.00.

- 18 To see what sum the Town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of Ways, Highways and Bridges) under the provisions of Section 44, 49 and 50, Chap. 23, R. S. 1954.

Recommended \$ 1066.00.

- 19 To see if the Town will vote to re-appropriate the Grader Account.

- 20 To see if the Town will vote to contract for Snow Removal and Sanding or take any action relating thereto.

- 21 To see what sum the Town will vote to raise and appropriate for Snow Removal and Sanding for the ensuing year.

Recommended \$ 4000.00.

- 22 To see what sum the Town will vote to raise and appropriate for services of a Public Health Nurse for the ensuing year.

Recommended \$ 200.00.

- 23 To see what sum the Town will vote to raise and appropriate for Street Lights for the ensuing year.

Recommended \$ 1000.00.

- 24 To see if the Town will vote to raise and appropriate the sum of \$50.00 to be expended for advertising the natural resources and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine.

Recommended \$ 50.00.

- 25 To see what wages the Town will vote to pay men, teams and trucks for the ensuing year. *State Wages*

- 26 To see if the Town will vote to authorize the Selectmen and Treasurer to make a temporary loan not to exceed in the aggregate \$10000.00 in anticipation of and to be paid out of the taxes for the municipal year of 1957.

- 27 To see if the Town will vote to authorize the Selectmen to assign liens and mortgages or take action relating thereto.

- 28 To see if the Town will vote to charge interest on all taxes assessed in 1957 and not paid before January 1, 1958.

- 29 To see if the Town will vote to authorize the Selectmen to expend the excise tax for roads.

- 30 To see if the Town will pay Hospital and Doctor's bills for Ralston Means, Jr., for accident which occurred while working on roads.

Sum not to exceed \$ 343.50.

- 31 To see if the Town will vote to elect one or more Fire Wards.

- 32 To see what sum the Town will vote to raise and appropriate for the Fire Department for the ensuing year.

Recommended \$ 1200.00.

- 33 To see if the Town will vote to install Street Lights in front of J. Paul Anderson's and Frances U. Reiss' residences.

- 34 To see if the Town will vote to authorize the Selectmen or some other person or persons to sell at a public or private sale all property acquired by lien.

- 35 To see if the Town will vote to re-appropriate the balance for care of the Town Dump.

- 36 To discuss a more cooperative means of operating the Fire Department.

- 37 To see if the Town will vote to authorize the superintending school committee to appoint a school physician.

- 38 To see if the Town will vote to appoint a Memorial Day Committee.

- 39 To see if the Town will vote to instruct the Selectmen to take out insurance to cover the injuries to Town employees under the Workman's Compensation Act. To Raise and appropriate \$200.00 to cover the same.

- 40 To see what sum the Town will raise and appropriate to pay its share of the cost of the Social Security.

Recommended \$ 250.00.

- 41 To see if the Town will vote to re-appropriate the Civil Defense Account.
- 42 To see if the Town will vote to accept the Emma L. and Milton Tibbett's Trust Fund. Interest to be paid to Brooklin Cemetery Association.
- 43 To transact any other business that may come before the meeting.

The Selectmen hereby give notice that they will be in session at the Selectmen's Office at 8:30 o'clock on the day of said meeting for the purpose of correcting the list of voters.

Dated at Brooklin this eleventh day of February, A. D. 1957.
